-----Submitted Questions-----

1. CMS dissemination plan: Will AHCCCS be acquiring NPIs per the dissemination plan?
2. In the AHCCCS Fee for Service Manual, it states that an NPI number is required in box 24J, however, this is not a CMS requirement unless the NPI for the provider of service is different than the NPI in box 33A. Is AHCCCS planning on keeping this requirement or will the manual conform to the CMS standard?
